

If we decide home modifications don't meet all our [NDIS funding criteria](#), we can't include them in your plan.

We'll give you written reasons why we made the decision. You can [contact us](#) if you'd like more detail about the reasons for our decision.

You might think our funding is not enough for your minor home modifications. If so, you can give us the evidence of the cost to complete the approved modifications in your home to the standards set in our [Guidance for Builders and Designers](#) . Generally, you need to give us 2 independent quotes. If we agree with the evidence, we may vary your plan.

If you don't agree with a decision we make about home modifications, you can ask for an internal review of our decision.

You'll need to ask for an internal review within 3 months of getting your plan.
